

BUFFALO MEAT FOR TRAVELERS

Barbecue Will Be One of Big Features of Convention in Ogden

Generous chunks of barbecued buffalo meat will be handed out freely in Ogden to friends of the commercial travelers who assemble here June 8, 9 and 10 in connection with the grand council meeting of the United Commercial Travelers of Utah, Idaho and Montana.

Five buffalo will be shot on Antelope Island in Great Salt Lake to provide the barbecue. Hundreds of these great animals roam the island in the herd which has been grazed there for years.

A camera man of the Pathe News has written that he wants to be on hand when the hunters go forth to bring down the game.

The annual gathering of the commercial travelers will begin Thursday morning, June 8, with a meeting of the grand council in the Knights of Pythias hall with W. R. Williams of Salt Lake officiating.

On that evening all of the delegates will be the guests of the Weber club and the Ogden chamber of commerce at a banquet in the dining room at the Weber club.

There will be another session of the grand council on Friday and in the evening there will be a dancing party for the visiting delegates and their ladies at the Pythian castle.

Saturday is to be a day of jollification, beginning in the morning with an industrial and fraternal parade. At noon will come the buffalo barbecue at the city hall park. A ball game between Ogden and Salt Lake travelers will be one feature of the afternoon.

In the evening there will be a street carnival and a Mardi Gras ball at the White City.

There will be bands in Ogden from Salt Lake, Brigham City, Logan, Provo and Ogden.

Governors of Utah, Idaho and Nevada have replied to the Ogden committee that they will try to be present for the festivities.

Ten trains of Shriners on their way to the California convention will pass through Ogden on the travelers' jollification day. These Shriners have announced that when their trains stop here they will scramble from the cars and parade with their bands the streets of Ogden.

Railroads announce special round-trip rates for the occasion in Utah, Idaho, Wyoming, Montana and Nevada. These rates will amount to one and one-third times the one-way price.

YOUNG MATRON LAID AT REST

FRANCES COWAN DALEY

Funeral services for Mrs. Frances Cowan Daley were held at 2 o'clock yesterday at the St. Lawrence meeting house with Bishop W. H. T. Pickett officiating. The speakers were Bishop James Slater, Joseph Kirie, Heber L. Hawkes, Lawrence Slater, John A. Messick, Counselor James Brown and Bishop Jardine. A male quartet composed of Gerard Klomp, W. T. Pickett, W. S. Wright and Joseph Madson sang, "Lead Us, Oh Father," and "Savior Comfort Me." Mrs. Lilian Hadley sang, "There Is a Land," and Laura and Lavon Farr sang "Unanswered Yet." The pallbearers were girl friends of the deceased. Interment was in the City cemetery. C. A. Lindquist dedicated the grave.

Workers Repair City Hall Clock; Chimes Proposed

Workers hauled wrenches, screw drivers, hammers and other tools to the cupola of the city hall this morning and began work on the city hall clock, which has been out of tune for the last four days. Last Sunday night the mechanism of the clock gave up its labors and the hands stopped at 8:40. Since that time the hands have remained at these figures.

A contract is held by the city and the Smalley jewellers to keep the clock running and in repair for \$50 a year and members of that firm this morning began the repairs. The stoppage was said to be due to some trouble with the clock weights.

Recently the city commission was petitioned to place chimes in the clock tower as a memorial for the soldiers of Weber county who died in service during the world war. The matter came before the commission, but action was deferred until next year when it is likely that the chimes will be installed. It was said. The chimes would cost approximately \$450.

DID HIM MORE GOOD. Many men and women suffer from backache, rheumatic pains, stiff joints, sore muscles and other results of kidney trouble because they neglected the first warning symptoms. Foley Kidney Pills did the kidneys to throw out poisonous waste matter that caused pain and misery. Stephen Lewis, Eldridge, Ky., writes: "Foley Kidney Pills did me more good than all the other medicine I ever took. I had kidney trouble ten years. I don't have any more like ten years. I took them." Sold everywhere.—Advertisement.

Sale of Men's Shirts
